Comments on Findings

- Repository 19 (Columbia University Libraries) contains 25 classified projects across 4 ISIC Rev.5 sections (F, N, Q, R).
- Project types present: NOT_A_PROJECT (25).
- The dominant ISIC section is R — Human health and social work activities, accounting for 13 projects (52.0% of the repository).
- Classification confidence: 18 projects (72.0%) classified at high or very-high confidence by the voting ensemble.
- Section R (Human health and social work activities) is the dominant class, reflecting the repository's focus on medical, clinical, and social datasets.
- With only 4 sections represented, the repository has a narrow thematic focus. Future curation may benefit from broadening the scope.
